

# DIRECT ACTION SKILL SHARING WORKSHOPS

SAT 24 + SUN 25 JUNE

NORTHCOTE BOWLS CLUB, PEARL ST. NORTHCOTE

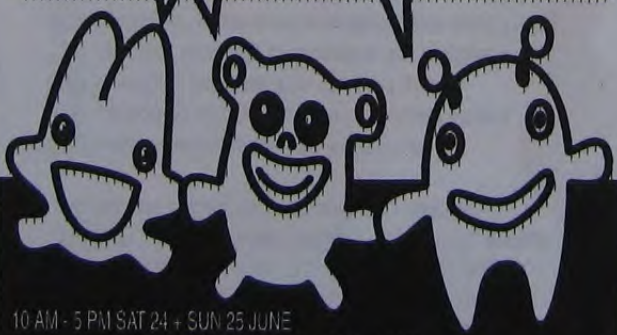

The World Economic Forum (WEF) is coming to Melbourne-Do you know what it's all about?

The WEF is an exclusive club of the world's 1000 richest multinational corporations, who will be meeting at Crown Casino to discuss how to increase their profits and power, at the expense of worker's rights, human rights, and the environment.

So you want to find out more about these giant protests called s11 on September 11th - 13th? Maybe you want to be part of the protests against the World Economic Forum, but you don't know what to do, you've never been to a protest before, or you're a seasoned activist who can offer others your skills and experiences?

On June 24th - 25th there'll be workshops on urban activism, non-violent blockading and tactics, puppet making, your legal rights, and how to organise with your friends to make an affinity group. You can also watch videos from other mass direct-actions (London, Seattle) and learn about corporate globalisation and why it is bad for our environment and people!

On Saturday night there'll be meetin' and greetin' at dinner time, so bring your mates and come along to learn and teach about shutting down the WEF!
