

S11 AWOL facilitates actions, organises and runs skill sharing workshops, provides support and works to empower people with information and tools to most effectively shut down the world Economic Forum. S11 AWOL is a non-hierarchical, decentralised and autonomous network. We are committed to taking direct action for social and environmental justice through creative resistance to capitalism.

### AWOL Aims

1) Provide skills, training, and information on Direct Action, protests & protesting, and legal support through workshops, pamphlets & booklets, & the fostering of networks.

2) To encourage the formation of Affinity Groups through workshops & networking, & promote the reasons for organising as Affinity Groups.

3) To provide logistical support during the S11 protest & post-protest period, e.g. medical, legal, etc.
