

## **When Police Violence Starts in Genoa....**

### **..... Come Out In Solidarity!**

Around the globe we have witnessed an escalation in state violence against people who take to the streets and voice their dissent to corporate globalisation and capitalism.

When the G8 meet in Genoa, come out in support of the people there who will face the wrath of police and military as they voice their aspirations for social and environmental justice.

**(The G8 meet in Genoa from Friday 20 July to Sunday 22 July)**

**Meet at 11am on Saturday, 21 July**

**at the GPO, Corner of Bourke & Elizabeth Street, City**
