POSTAL: GPO BOX 595D MELBOURNE VIC 3000 PHONE: 03 650 3812

thought my hope had died that night  
i saw the future slowly slip away  
how i felt despair that night

i remembered how we'd march for  
love and peace  
together arm in arm

we know we are not alone  
we know we are not to blame  
others fear through ignorance

we feel contempt and indignant  
words from hypocrites  
there is no-one to blame  
we are all only victims

all the hope we thought we'd lost  
will give us strenght to overcome

now i ask what can be done  
a wind of change must come

my tears have turned  
turned to anger and contempt  
a battle i have found  
all the dreams i will carry on

we are young and dying  
fighting every day  
we can't escape the truth  
but we won't die alone

it's time to get off your knees  
and work towards a brighter day
